## OCOH Overview

San Francisco voters created the **Our City, Our Home Fund in 2018**. The Fund increases housing and services for people experiencing homelessness.

The Our City, Our Home Fund **creates permanent solutions** to homelessness, mental health crisis, and housing insecurity.

## OCOH Oversight Committee

The Board of Supervisors established the **Our City, Our Home Oversight Committee** in 2019. The OCOH Oversight Committee ensures the effective and transparent use of the OCOH Fund by

- Ensuring the voices of people experiencing homelessness guide the Committee's work.
- Making annual spending recommendations to the Mayor and Board of Supervisors.
- Assessing the needs of homeless people served by the Fund.
- Recommending spending on programs that meet homeless people's needs and are consistent with voters' intent.
- Promoting the **transparent** and **culturally sensitive** implementation of the Fund.

## Strategic Action and Investment Plan

The Our City, Our Home Oversight Committee began meeting in 2020

During its first year, the Oversight Committee hosted 17 listening sessions with hundreds of stakeholders to gather input on funding priorities.

The listening sessions are the foundation for the OCOH Oversight Committee's two-year **Strategic Action and Investment Plan**.

## Strategic Action and Investment Plan (2021)

The Committee recommends investments that will:

- Center racial equity.
- Contribute to creating a comprehensive, equitable, and sustainable system that ensures homelessness in SF is rare, brief and one time.
- Promote **housing first**, which recognizes permanent housing as the solution to homelessness.
- Produce system flow by connecting temporary supports with permanent housing solutions.
- Inclusively and transparently gather priorities from a wide range of stakeholders.

50% HOUSING.  
Will permanently house 4,000 homeless people and their families.

25% MENTAL HEALTH AND ADDICTION SERVICES.  
Will serve the most severely mentally ill people on the streets. 4,500 people will receive behavioral health and substance use treatment.

15% PREVENTION.  
Will prevent homelessness for 7,000 people through rental assistance and legal defense.

10% CLEAN STREETS, BATHROOMS AND SHELTER.  
Will create emergency shelter for over 1,000 people and drop-in hygiene programs.

## Strategic Priorities for Permanent Housing Investments

Expenditures are to receive at least 50% of OCOH funding, with the goal, over time, of providing permanent housing for 4,000 people.

**Increase permanent housing** opportunities of all kinds.

Enable people to **stay in neighborhoods.**

**Provide supports to ensure success** after medium-term subsidy.

Promote stability by making **culturally competent services** available even after people are connected to housing

## Permanent Housing Overview of Investments

### Ongoing Subsidies and Supports

- Funds permanent rental subsidies in the private market paired with supportive services, including subsidies for adults, families, Bayview residents, seniors

### Permanent Supportive Housing (PSH) Operating Costs

## Break Out Sessions

- Note takers will compile feedback for the Committee
  - Questions:
    - What impact in the Community have you seen from the OCOH funding?
    - How can OCOH funding be used to create a more responsive and more impactful system? What needs more attention in the OCOH implementation?
    - What would it look like to make progress on that area of concern? What would show you that progress is being made?
    - How can OCOH funded programs make progress to close racial equity gaps?
  - If you haven't already said something, please step up! If you have, step back so everyone gets a chance to participate.
  - Speak from your own experience
